Our grandson Bryan (on the right) with his friend Thompson (on the left) ...
Bryan is the pitcher and Thompson is the catcher ... These two are
12 year old good buddies that totally hang together totally dude ...
Penni and Ann were taking them to their game ... I was installing a new
alternator on Penni's car, while grandma decided to play Kenny Kodak
with my digital camera ...
Why do I always end up under the @##$%!* car???
Oh!!! Yes!!! Let's not forget Ann's BMW ... That's a real eye 'catcher' ...

I told her where and how to stand to take the pictures; otherwise .....
I just printed them out, and Pat put them into frames. They look nice.
I printed them on regular paper which will probably last as long as we do.
I don't know if you have tried this, but if you haven't; give it a try.

Bryan will be in the 7th grade this year at Morey Middle School in Denver.
I'm taking care of his new braces; he has a denture problem that will be over in 18 months ... $$$$$ ... Can't have a grandson with crooked teeth.

We are all fine at the present ... Patti and her husband are having fun in the mountains with their two boys. We go up and fish with them quite often.
We don't get to see Terri much as she is very busy doing her own thing.
Whatever the hell that is? There's always someone or something isn't there?

Penni is still working for Qwest and living at their new house. I go over and do some 'whatever work' occasionally. Pat took the pictures over there.
Penni's busy but happy.

It gets from 90 to 100+ around here and that is more than enough for us.

Sounds like Ray is enjoying himself and that is good. You appear happy also.
I'm growing tomatoes, peppers, zucchini, cucumbers, etc. which keeps me busy. I enjoy being retired and do what I want usually with Pat and my family. We don't need for nothing that I can think of. I never thought we would have the freedom of finances that we have now, and that is real good.
College and working for DPS, SS, and saving really paid off.

We had lunch up in BlackHawk at the Riviera with Don and Joan, and again with Don alone because Joan's vacation had lapsed. We all had a good time. Hope Don's problems turn out OK. He don't need all of those maladies at his age.

Sure would be nice to see you guys like last year, and it is cooler up here???
Maybe Don and Ray could get together this time should you give in to the temptation of going North.

Say "Hello" to Ray and see ya later.

Pat and TEd

We are doing fine if you can stay cool. Yesterday the heat index was 108. This has been a very unusual summer for us as we are about half of our rainfall for this time of the year. I'll be glad when winter gets here. Ray has been working at the Dallas Trade Mart and here at home also so he

stays tired all time.....he thinks he is still a teenager and I wouldn't dare tell him otherwise.

Ray talked to Donnie and Joan the other night. He is going to call Donnie back to see what he has found out.

Love you guys.

Sherry
